Date of Notice: May 25, 2005

**PUBLIC NOTICE
ENTERPRISE ZONE FEE INCREASE
EFFECTIVE JULY 1, 2009**

In accordance with City of San Diego Council Policy 100-05

As an entity doing business in a State of California Enterprise Zone, please be advised that a fee increase was recently adopted that may affect your business and/or your clients.

On April 20, 2009, the San Diego City Council adopted a resolution to increase the local Enterprise Zone fee to \$100. The fee increase will offset the costs associated with effectively administering the San Diego Regional Enterprise Zone programs, including but not limited to processing of the Hiring Credit application and collecting and processing the state mandated \$10 fee per Hiring Credit application. City Council Policy 100-05 and HCD staff currently supports a cost recovery practice for special services. This new fee is comparable to fees charged by other Enterprise Zone designated cities.

In accordance to City Council Policy 100-05, the fee shall be implemented no earlier than 30 days after notices to affected businesses are mailed. The purpose of this letter is to provide official notification of the fee increase that will go into effect on July 1, 2009.
